Dear Rob,

I am the local area Toys For Tots Coordinator and would like to personally thank your organization for its generous donation of the forklift to use in our 2006 campaign. Donations like yours helped the Atlanta Chapter of Toys For Tots achieve our goal of providing approximately 567,000 toys to approximately 218,000 children in the metropolitan Atlanta area during the 2006 holiday season.

Again, thank you for your contribution to Toys For Tots. And, may you and yours have a happy, healthy new year!

Sincerely,
