“To promote effective philanthropy, and community improvement”

Amware Logistics is committed to the advancement of research, care and support for individuals diagnosed with Muscular Dystrophy and Cancer, as well as their families. Together, through physical and/or financial assistance, we as a company participate through a world-renowned medical research organization and a nationally recognized summer camp for young adults:

The **Muscular Dystrophy Association** (MDA) is a voluntary health agency—a dedicated partnership between scientists and concerned citizens aimed at conquering neuromuscular diseases that affect more than a million Americans. MDA combats neuromuscular diseases through programs of worldwide research, comprehensive medical and community services, and far-reaching professional and public health education. Visit www.mdusa.org

First Descents Camp (FD), sponsored by NIKE ACG, is a groundbreaking new concept utilizing kayaking as a teaching aid for young adults with cancer. FD uses learning to kayak as a metaphor to help young adult cancer patients define their fears, face their challenges, and overcome obstacles. Through corporate support, individual donations, and fundraising events, the camp is offered free of charge to participants. In the summer of 2004 it will be run for its fourth consecutive year for three energized week-long sessions. Visit www.firstdescents.com

2004’s First Descents Kayak Camp is just around the corner. Amware representatives are well into the planning of this year’s summer camp; from on-site medical support to logistical planning. Amware representatives, working closely with several national sponsors and Untraditional Marketing, will once again be helping both in and out of the water.

And, For the past three years Amware’s management and employees have been actively involved in MDA’s annual “Lock-UP”, a fun-filled day of “jail & bail” with neighboring company representatives. Each year, a ‘bail’ amount is set and Amware representatives campaign to accumulate the required ‘bail’ money. A representative from Amware is ‘incarcerated’, and remains there until he or she can ‘bail-out’ using the money he or she raises in fundraising efforts.

If you would like participate, as an individual, by making a *tax deductible* donation to MDA's Jail & Bail, I can assist you. The event this year will be held on July 15th. There is absolutely no requirement to participate, but rest assured that *any* level of contribution you would like to make will directly benefit, in entirety, the research and programs directed by the MDA and the patient-recipients of your good will.

The deadline for any contributions is at noon (MST) on Wednesday, July 14th. Donations may be made by credit card or check payable to the 'MDA'. Please contact me directly to answer any questions you may have and/or assist you in making your individual contribution to this year's event.

These events are extensions of the goodwill and sense of community responsibility prominent in each Amware craftsman as each of us works to promote an appreciation of the social and human costs and burdens imposed by each disease. All of us at Amware Logistics are excited about getting involved in fundraising and charity events this summer. The summer of 2004 is playing out to be one of our most exciting yet!

Sincerely,

Barry G. Leff
